Wednesday Night Net

Starting with the Wednesday night net of the 17th, the net control operator will identify as mycall/WA1WA then use WA1WA for the course of the net. At the end of the net, the control operator will sign as mycall/WA1WA. This will allow us to use the club's call during the weekly net.

Starting in October, Mike (KB1AWS) will also be looking for net control operators to run the net during the upcoming months.

Treasurer's report

The club currently has \$117.47 in the club's account.

Local Testing

The club agreed to assist with a local exam session and has tentatively set Friday November 7th as the date. This will most likely be an evening exam and will hopefully be done at the Winslow elementary school. Stay tuned to the weekly club net for updates.

Walkoctber fest

The American Diabetes Association's annual walk-a-thon will not be taking place in Waterville this year. They are planning only a handful of walks around the State and the only walk scheduled for Kennebec County will be taking place in Augusta.

Jamboree on the air

This years Jamboree on the air will be taking place the weekend of October 18th. The club is looking at setting up and running a club station for the local scouts very similar to what was done last year. The location of this years event is tentatively set for the Winslow Elementary school.

Next Club Meeting

Since the Rochester Hamfest is scheduled for October 4th, the next club meeting will take place on the 11th which is the following Saturday.

Please note that these are tentative dates only

Contact the listed VE team leader before traveling to verify location, time, current fee and exams being offered. Listen to Amateur Radio nest for bulletins and updates. Walk-Ins are usually welcome. Examinees must have 2 forms of positive identification. Licensed amateurs trying to upgrade must have in their possession the original license and any original certificates of completion and a clear photo copy of each. Contact the VE team leader in advance if special exam. facilities are required or proposed.

Maine Bulletins

Maine Bulletin 062

October 2, 1997
W1JTH ARRL Bulletin Manager, Maine Section
Subject: S.E.T. Reminder
From: Lon AA1KC, S.E.T. Coordinator

Just a reminder that the Simulated Emergency Test will take place on the weekend of October 11 and 12, 9:00am to 11:00am and 2:00pm to 4:00pm on Saturday and 9:00am to 10:30am on Sunday.

There's still time to hook your station to your emergency power. Tell all your ham buddies about the event.

73, Lon, AA1KC

Maine Bulletin 057

September 10, 1997
W1JTH ARRL Bulletin Manager, Maine Section
Subject: Central Maine Emergency Net Temporary Frequency Change

The Central Maine Emergency Net will now be heard on the 146.85 repeater. Please remember that this repeater uses a 100 hz tone. While this is a temporary move it is in effect until further notice. Please join us each and every Friday at 8:00pm. It's a great place to meet other hams.

(Continued from page 4) Maine Bulletins

We hope change will allow some of those who we have lost touch with to join back in.

Special thanks to Dave, KQ1L and Linda, KA1FKS for allowing us to use the repeater. We look forward to hearing you on Friday evenings starting September 12.

Waterville Area Wireless Association
P.O. Box 1646, Waterville, ME 04963

If you have any questions please call Ron on the 146.76 MHz Waterville Repeater or by phone at 873-2071. Meetings are held the first Saturday of each month at the Winslow Recreation Hall behind the Fire Station on Benton Ave. in Winslow. If the first Saturday is a holiday weekend, the meeting may be postponed a week. Check before traveling in poor weather.

WAWA also holds an on-the-air meeting at 7:30 every Wednesday night on the 146.76 MHz repeater. Hope to hear you in there.
