

WAWA News Letter

Waterville Area Wireless Association
April 2002

Box 1646
Waterville ME, 04903
<http://www.qsl.net/wa1wa>

Tune in to the WAWA Wednesday Night Net at 7:30 on 146.850 linked repeater system.

The next meeting of the Waterville Area Wireless Association is schedule for Saturday April 6, 2002 at 9:00am at the Winslow Junior High School on the second floor.

March 2002 Club Meeting Notes

The latest frequency for local slow scan tv action is 145.55 mhz.

Area Exams

Thursday June 6th at the Winslow Jr. High School.

City of Waterville Bi-centinial Celebration.

Big event is scheduled for June 23rd. It was thought that a special event station would be nice to commemorate the event. However, this coincides with Field Day. Some research is going to be done to see if the club can set up a station at the airport for both Field Day and the Bi-centenail celebrations.

Field Day

Need digital operators for Field Day, namely CW. This seems to be the easier mode to work with given the confined area and local interference we normally operate with.

Scouts

KD1MM - nothing new to report. A camporee is scheduled for May (site has yet to be selected) and there is need for a single station for demonstration purposes.

Trailer Tower

Going to get some marine grade plywood to rebuild the deck of the club trailer tower. Maury has offered to his place to store the trailer and a location for rebuilding the deck.

Red Cross

Ron will be meeting with Red Cross officials next week to check on the current situation and to try and establish a working relationship. The club still wants to help them set up their ham station and to establish a pool of operators for emergencies.

QSL.NET

Club has agreed to send a \$10 donation to help with the server expenses.

Treasurer's Report

As of March 19th, the club has \$203.34 in the bank.

Pictures from February 2002 Meeting

Members gather before the meeting.

Ron starts the meeting.
